

1855BioPower

1855BioPower therapy is similar to acupuncture. Our 4 stone technology products are placed against the skin at specific points to improve energy and blood flow.

1855BioPower therapy is non-intrusive and does not cause any pain. The objective of 1855BioPower therapy is to help promote and enhance the body's pain relief process and increase energy without introducing any foreign objects or chemicals which may have undesirable side effects. We are proud at the quick results of 1855BioPower therapies for minor and new issues. Some older issues might take from 2-6 weeks to alleviate.

Because of how proud we are of our amazing 1855BioPower technology we offer a full 60 day money back guarantee!
